

24h Chair

The high-flier that never takes a break

The 24h Chair remains in use around the clock and must constantly adapt to the needs of different workers and different situations. It has been perfectly designed with this in mind, as it is a versatile and robust chair that provides the user with the support he or she needs in any situation, e.g. on the basis of its multifunctional armrests and numerous adjustment options. The replaceable upholstery, which is available in a wide range of finishes and colours, is an additional bonus. What's more, the 24h Chair is the ideal seating solution for people with a heavy frame.
