

BIMOS Nexxit

Workstation Chair BIMOS Nexxit (Part. No.: 903*)

Your strong partner at work

Ergonomic support, practical handling and outstanding robustness – modern industry demands specific requirements of the quality of workplace chairs. With its unique industry ergonomics as well as simple, intuitive adjustment to the respective user, Nexxit automatically ensures the correct sitting posture. It impresses with high comfort and extreme resistance for use in industrial environments. This makes Nexxit your strong partner for all types of tasks.

Design and materials

Whether it is a matter of intensive use, minor collisions, chippings or flying sparks – you can always rely on Nexxit in day-to-day industrial operation. It rises to every challenge and can take a lot of hits. The design of the chair is conventional and there are no risk factors. The materials used are characterised by maximum resistance against typical industrial effects. For instance, the connecting element between seating surface and backrest is made from robust steel, as is the sturdy base. Furthermore, the practical functional handles ensure safe handling during transport between different areas of use.

- Synchronous mechanism and intuitive operation
- Ergonomics package
- Sturdy and resilient
- Large range of handle colors
- Adapts perfectly to everyday laboratory tasks
- Ideal for labs in terms of ergonomics, function and comfort
- Antibacterial

10 years long term warranty what covers the fabric, the glides and castors also.

Variations:

	Nexxit 1	Nexxit 2	Nexxit 3
Synchronous mechanism	9030	9033	9031

BIMOS Nexxit

Available upholsteries:

Synthetic leather upholstery

Washable, low-maintenance, impervious to oil and disinfecting agents, soft and comfortable

Available colors: black

Integral foam upholstery

Extremely tough and durable, washable, capable of withstanding mechanical damage, resistant to flying sparks, impervious to mild acids and alkalines

Available colors: black

Duotec fabric upholstery

Soft, breathable upholstery consisting of hard-wearing cover fabric.

Available colors: black

Supertec upholstery

Supertec is an innovative cover material like no other upholstery surface. Supertec consists of a textile substrate covered with micro-studs. So Supertec combines the advantages of fabric and integral foam. Supertec is soft, comfortable and breathable. At the same time, it is very tough, cut resistant, non slip and easy to clean. Supertec is a world first among cover materials, and Bimos is the first manufacturer to use this material in workplace chairs.
